International Graduate Student Visa Deferment GS Form 13D

IMAGING: GRSLeave
Admit Year/Term:

International Graduate Student Visa Deferment (to be completed by admitted applicants only)

The following criteria must be met in order to defer your offer of graduate admission:

- Deferment is due to your inability to secure your student visa before the beginning of the semester you were admitted.
- Obtain department approval.
- Submit this form to Graduate Studies at 105 FPH along with a brief explanation of why you are requesting this deferment.
- You must not enroll in or attend any college or university while in your deferment period.
- The proposed deferment period must not exceed more than 4 semesters (spring & summer terms combined count as 1 semester).
- Return for the semester or term indicated on the Graduate Student Visa Deferment form, which must comply with the following schedule:

End of Deferment	Enroll No later Than
October-April	Fall Semester
May-September	Winter Semester

Approval of this request does not imply the deferral of any previous scholarships, fellowships, or assistantships. Additionally, any commitments that have been made to affiliate with a specific faculty adviser, lab, or research project will no longer apply. All graduate degree programs are subject to a time limit (eight years for a doctoral degree and five years for a master's degree), which begin to toll from the first semester that you are originally recommended for admission, not the semester that you return.
