Student Signature			
I have attached the appropriate official documentation (e.g., doctor/therapist letter, military papers, mission call). In addition, I understand that the time spent in a leave of absence will not extend the time limit for degree completion (five years for master's degree and eight years for doctoral degree).			
I also understand that if I am serving an LDS mission, my ecclesiastical endorsement will expire during my leave. Therefore, I will need to obtain a new endorsement (see endorse.byu.edu). Be sure to click on "Currently Serving Missionary."			
If I have been on a medical or military leave and my ecclesiastical endorsement expires, I will obtain a new endorsement by clicking on "Applicants" at endorse.byu.edu and select "I am resuming a graduate studies program."
