## High Impact Graduate Research Award (HIGRA) Part 1: Candidate Application

### Candidate Acknowledgement and Signature

If selected by the HIGRA Selection Committee to receive the award, candidate acknowledges and hereby agrees to the following conditions:

1. HIGRA recipients must agree to maintain good standing with the university, including maintaining a valid ecclesiastical endorsement and honor code commitment for the duration of their studies.
2. HIGRA recipients must agree to maintain satisfactory academic progress (at least a 3.00 GPA) in their respective program of study in order to receive on-going HIGRA distributions.
3. HIGRA recipient's graduate faculty mentor or committee chair must agree to continue to mentor and monitor the student's progress for the duration of their program and to make comprehensive evaluations of their progress biannually.
4. Failure of the parties to adhere to the aforementioned conditions above may result in the forfeiture of any additional HIGRA distributions.
